

Dear Friend of Cynthia Mickens Ministries,

Since its inception in 2002, Cynthia Mickens Ministries, through its founder, Cynthia Mickens-Smith has worked to assist others in fulfilling their full potential through Path~Way to Purpose®. Our twelve week program aids in the discovery of one's purpose and works to show participants how to utilize their natural gifts, talents and abilities to live the life they were born to live.

With great joy, and thanks to our God, we are grateful that our ministry has touched the lives of people from all different walks of life. The highly educated scholar, women living in poverty; those who are broken, battered and deeply wounded; it matters not from whence they have come. Our affinity is that we are headed toward our divinely appointed purpose.

As our ministry dreams are becoming realized and our borders are being increased, today Cynthia Mickens Ministries desires to connect with women globally. Our first international trip will be specifically for our sisters who are disproportionately affected by poverty and those who are without hope and smothered in disbelief, on the continent of Africa. We are taking hope, faith and direction to those who need it most.

Through the gracious invitation of New Wine Ministries, located in Abuja, Nigeria, we are excited about what God is about to do through the ministry for his women abroad. The quest for purpose continues in the life of women world-wide, and we aim to share our resources with them for the two week stay. We will focus on strengthening the women of Abuja by guiding them through an accelerated version of the Path~Way to Purpose® course.

Our priorities for this trip are to:

- Introduce the concept of purpose to the women in Africa
- Guide participants into discovering and eliminating what is holding them back from living a life of purpose.
- Help to reveal the beauty of their uniqueness.
- Empower participants to discover, embrace, and live the life they are created to live.

I'm excited about the opportunity and experiences which lie ahead. I pray that you can feel my heart and see the value of what you and I can accomplish together. In order to accomplish this goal, we need your help. It can't and won't happen without support from loyal friends like you. We are in need of \$20,000.00 to take this ministry to this waiting congregation of women. It is my belief that we are our sister's keepers and together WE CAN make the global difference in the lives of woman world-wide. I thank you in advance for your donations, prayers and support.

In His Service,

Pastor Cynthia Mickens-Smith
